

DECLARATION AND POWER OF ATTORNEY

I, Yuhpyng L. Chen, declare that I am a citizen of United States of America and resident of 8 Waterview Drive, Waterford, Connecticut, United States of America; that I verily believe I am the original, first, and sole inventor of the invention or discovery in SUBSTITUTED HETEROCYCLIC DERIVATIVES, which is described and claimed in the annexed specification and which claims priority from Provisional U.S. Patent Application 60/008,396, filed 12/8/95; that I do not know and do not believe that the same was ever known or used in the United States before my invention or discovery thereof, or patented or described in any printed publication in any country before my invention or discovery thereof, or more than one year prior to this application, or in public use or on sale in the United States more than one year prior to this application; that said invention or discovery has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to this application; that I acknowledge that I have a duty to disclose information of which I am aware which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a); that I have reviewed and understand the contents of the specification, including the claims, as amended by any amendment(s) specifically referred to herein; and that no application for patent or inventor's certificate on said invention or discovery has been filed by me or my representatives or assigns in any country foreign to the United States, prior to the filing of Provisional U.S. Application 60/008,396, except as follows:

NONE

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon;
